You'll then have a few questions to answer before you can set up your page

The screenshot shows a web browser window with the URL <https://www.justgiving.com/fundraising-page/creation/choose-uri?pcid=9a262db6-...> and a tab titled "Make a fundraising page - ...". The browser's address bar includes "File Edit View Favorites Tools Help".

The main content area is titled "Your event" and displays "2018 24 Hour Relay" with a link to "Change your event". There is a checkbox labeled "I'm doing this in memory of someone" which is currently unchecked.

The next section is "Choose your fundraising page web address". It shows the base URL "www.justgiving.com/fundraising/" and a text input field containing "Shane-Cox7".

Below this, there are two questions with radio button options:

- Question: "Are you planning to ask for donations to your JustGiving page in return for goods, services or other benefits?"  
Example: "e.g. Will you be using your page to run a bake sale or auction, or sell tickets to an event or raffle? If yes, donations to your page will not be eligible for Gift Aid as donors will be receiving something in return."  
Options:  No,  Yes
- Question: "Is your charity contributing to the cost of your fundraising?"  
Example: "e.g. Paying for your travel, accommodation or entry fee. If yes, then donations made by you, your spouse or partner, or your relatives and their spouses or partners, will not be eligible for Gift Aid. Find out more about Gift Aid eligibility."  
Options:  No,  Yes

At the bottom of the form, there are two checked checkboxes:

- I'd like the charity I'm fundraising for to keep me informed about the impact of my fundraising, its appeals, events and ways to donate, by email and post.
- I'd like JustGiving to send me inspiring stories, helpful fundraising tips and news about the causes me and my network care about, by email and (very occasionally) post.

A blue button labeled "Create your page" is located at the bottom of the form.

In the bottom right corner of the page, there is a purple circular button with a speech bubble icon and the text "Help".
