### **Track and Field Events**

#### **Youth Development League (YDL)**

The YDL is split into 2 age groups – Upper Age Group (UAG) for U17 and U20 men and women and Lower Age Group (LAG) for U13 and U15 boys and girls. There are 3 fixtures with the UAG being held on a Sunday and the LAG being held on a Saturday between April and July. These are all-day fixtures and involve some travelling as far as Swansea or Hereford. If the Club does well there is a promotion match which is usually held in late July or August. All track and field events are covered.

Athletes are selected for the Club by the Team Managers in conjunction with the Head Coach. Selection will be based on performance, attitude/co-operation at training/competitions and support from parents with officiating etc. If an athlete is selected they must compete in a NSAC vest.\* Entry fees are paid by the Club. Athletes will be issued with numbers by the Club for the YDL that they must retain for the whole season.

The Club is expected to provide officials to ensure the smooth running of the event including occasionally hosting the day.

#### **Avon League**

This is a less competitive league for 7 local clubs. It covers all the ages from U11 (Quad Kids) to senior men and women, including masters (age 35+), so there is an opportunity for younger ones and parents to get involved. There are usually 4 fixtures each year on Sundays in June, July, August and September. They are held in either Yate or Gloucester. The league has two programmes of events to enable the meetings to run in an acceptable time so not every event is run at every meeting.
