

North Somerset Athletic Club

Membership categories and payment information

Reviewed November 2020 - Prices held for 2021

Under 11's - school year 4 and 5

A joining fee of £20.00 is payable, which includes a club t-shirt, and then the quarterly fees are £41.50 due in January, April, July and October.

If you are joining in any month other than those listed above your first quarterly payment will be pro-rata, this amount will be confirmed to you when joining.

Annual payments are available, at a slightly discounted rate, for those members renewing or joining in January. For those members renewing the full payment must be received by the 15 February to benefit from the discount, if the payment is not received by this date payments will be at the quarterly fee above.

Junior member - school year 6 upwards

A joining fee of £20.00 is payable, which includes a club t-shirt, and then the quarterly fees are £45.25 due in January, April, July and October.

If you are joining in any month other than those listed above your first quarterly payment will be pro-rata, this amount will be confirmed to you when joining.

Annual payments are available, at a slightly discounted rate, for those members renewing or joining in January. For those members renewing the full payment must be received by the 15 February to benefit from the discount, if the payment is not received by this date payments will be at the quarterly fee above

Adult member – aged over 18

A joining fee of £20.00 is payable, which includes a club t-shirt (for seniors you may choose a club vest instead of a t-shirt), and then the quarterly fees are £45.25 due in January, April, July and October.

If you are joining in any month other than those listed above your first quarterly payment will be pro-rata, this amount will be confirmed to you when joining.

Annual payments are available, at a slightly discounted rate, for those members renewing or joining in January. For those members renewing the full payment must be received by the 15 February to benefit from the discount, if the payment is not received by this date payments will be at the quarterly fee above

For all members listed above anyone joining from 1 September onward will be asked to pay their England Athletics registration fee of £16.00 at the time of joining.

Membership Only

A joining fee of £20.00 is payable, which includes a club t-shirt (for seniors you may choose a club vest instead of a t-shirt).

Payment for the whole year is £36.00 and must be made when joining and for those members renewing the full payment must be received by the 15 February. If payment is not received by this deadline your membership will be lapsed and you may be required to pay a joining fee before we register you with England Athletics.

Membership Only is available to the following people:

Junior members who wish to be registered with an England Athletics affiliated club, to enable them to compete at open/championship events that they can enter directly. They may also be considered for Club entered competitions.

Adult members who wish to be registered with an England Athletics affiliated club, to enable them to compete at open/championship events that they can enter directly. They may also be considered for Club entered competitions.

Members who are away at University but wish to retain their membership with an England Athletics affiliated club, to enable them to compete at open/championship events that they can enter directly. Their University competition results would also show on their Power of 10 record and they can be first claim North Somerset Athletic Club and second claimUniversity.

For membership only University students are able to attend training sessions with the club, whilst they are home during breaks etc, at no extra cost, providing that the venue they wish to train at does not incur a charge. For example, training at Filton Campus incurs a charge of £3 an athlete, this is payable in cash* at time of training and will be banked with the adult members training fees.

Once the athlete has completed their course normal quarterly/annual training fees would be payable, should they wish to resume training with the Club.

For junior and adult members training is not included in Membership Only, for junior members you may wish to swap to a membership category that includes training. More information can be provided by contacting the session you wish to attend.

For seniors wishing to train at the Filton Campus the £3 per session fee will be payable in cash* at the time of training.

**The payment in cash is to reduce the amount of administration that is needed and therefore to keep the cost of these fees as low as possible.*

Please note that North Somerset Athletic Club runs their financial year from 1 January to 31 December, pro rata payments are calculated from when you join to the end of the current year, not on a rolling 12 months.
